Kids Klub and Connections are back!

Kids Klub and Connections are back!

In October, there will be a Halloween Party at Kids Klub. We will eat yummy treats or will they be tricks? We will have a lesson and also have a fun craft to do. Come and join our fun on Tuesday October 7, from 4:30-7:00p.m. And bring your homework! November Kids Klub date had to be moved due to the election and Veterans Day. Please come on Nov. 18. It will be a special one!

Connections this fall is going to be chaired by Beth Doney! She has some really neat ideas for the year. We will start off with a traditional Lutheran Potluck and a talk with Norma Rygh. Then in October it is a chili cook-off and cards. How cool is that! November is a advent wreath and soup dinner. I can't wait to see what Beth comes up with for next year!

Sunday School

Sunday school is on a new adventure. We will be studying the New Testament through January. We will have weekly Bible verses to learn and a new lesson program.

There is a new mail system. I have purchased a special box where your child will have a folder. Please check your child's folder regularly.

If you have any questions regarding our program please feel free to contact me at any time. Thanks! De Ann 255-1990 or deann_bauman@yahoo.com

Fall Tips

- Attend Open house with your child. Meet the teachers and ask questions!
- Have a family night without TV. See what creative things you can come up with to entertain yourselves.
- Remember those less fortunate, buy a couple of extra canned goods for LSSN.

Little children, let us love, not in word or speech, but in truth and action.

1 John 3:18

Parents Corner –

The Parenting Workshop is coming! It will be September 13 with registration beginning at 9:00. It will conclude around 3:00 p.m. Tiger McLuen is a national speaker on teens, pre-teens and kids. He is coming across the country to speak to us. He is awesome. The workshop is called-

"Raising Right Side Up Kids in an Upside Down World"

This is a day that will help all parents/grandparents of teens and pre-teens consider the most important job they will ever have. Gain some tools and encouragement from someone who has been in youth ministry for over 30 years, has taught at a variety of colleges and seminaries for over 20 years, and how has parented 4 children---all who have survived adolescence. In a refreshingly honest style, Tiger McLuen will help you understand more about the struggles in parenting teenagers, the issues in our culture and give some practical ideas on staying focused in a distracting world. This is a time to be encouraged--you will not hear any simple formulas or easy answers, but you will gain insights and ideas that will help you be a more effective parent.

Please try to come! It will be worth your while. The cost is \$25.00 before Sept. 6 and \$30.00 after. We will serve Einstein Bagels for breakfast and Olive garden for lunch. Hope to see you there!
