## Ronald Mc Donald House

The Youth Group has chosen the Ronald Mc Donald House as their Spring Community Service Project. They will be cooking dinner for the residents on 2 separate nights, March 27, and April 3. They will decide a menu, cook, and clean up for the entire kitchen area. The House is located on Sahara and Decatur.

There is also a walk-run for the house. It is on Saturday, May 16. The Youth Group invites all families to participate in the walk and would like to support the house. The cost is \$20.00. You can register online at [www.rmhlv.com](http://www.rmhlv.com) Please register under St. Andrew Lutheran Church Youth Group. The teens would love to walk with you for this great charity.

Thank you for your generous support of our youth.

## Sunday School Sings this Spring

The Sunday School will sing numerous times this spring. On March 1, we will have a special visit from the Bishop, have a children's sermon, and sing. On March 22, we will sing 2 songs at the 10:00 service only.

We will have our end of the year production and party on June 14. We have lots of things planned for that one including costumes and props. It will be really neat! If you have any questions regarding our program please feel free to contact me at any time. Thanks!

## Parents Corner

*Recently, I attended the Youth Ministry Conference. There were many workshops, worships, and general sessions for inspirational speakers. I really seemed that our church is just like every other church with its strengths and weaknesses. It seemed through the sessions that we are not alone in our beliefs, morals, and visions for the future. Our future is our children. We must embrace each and every child to teach them how important God is in their daily lives.*

*We need to have those difficult conversations with our kids. Starting as young as possible we need to communicate how the world works and the needs of others. I know putting others first is always challenging. So here goes, I challenge every family to do a community service project together as a family. Give back to the community. It seems that in my personal life (which has numerous problems- just like everyone else's) when I give back to volunteer in school, a charity, or just call a friend in need, that some good always seems to follow. Try volunteering for the community. It is a good lesson for our kids!*

*God Bless! De Ann*
