Build a Bear

The Sunday School is going on a field trip! On Saturday, June 6, we will meet at the Fashion Show Mall. Please meet at 9:50 outside Build a Bear. We will be building bears for The Comprehensive Cancer Centers of Nevada— Pediatric Division. The teddy bears are being built by the Sunday School and they will be blessed by the congregation before they are delivered to the Center.

These special bears will help a young child overcome their anxiety and fears. They are handed out when the child has their first treatment.

Thrivent for Lutherans is sponsoring this event for us and Build a Bear is also giving us a discount. Thank you both for your generosity! Our goal is 35 bears! Lets make that happen!

Parents Corner

I have come across some great resources for you as parents and grandparents that I would like to share with you. A couple of books that have cool things are:

Surviving Middle School by Rick Bunschuh. This is a really fun and exciting book that tells it like it is. The nice thing is it comes with a CD (cool stuff) and it has a Christian spin to it. Great and funny read. You can buy by calling 1-800-725-3300.

Grand Days by Group Publishing. This book is filled with neat ideas and projects you can do with your child or grandchild. You can buy this at www.group.com or call 1-800-447-1070.

Kid Concoctions by John E & Danita Thomas. They have written several books about this. This book inspires me to create cool, easy, goopy crafts for Kids Klub. This is an excellent choice for summer to do things cheap! It can be purchased at your local book store.

Websites that have tons of education info are:

www.rpd.net -This is an amazing site that has all kinds of practice tests and resources to assist you in your child's education. Well worth looking into!

<http://nvcis.intocareers.org/loginmain.aspx?SiteType=1> This is the best one. This is Nevada's Career Information System. The Log in info is username— nvcis and password—Nevada. Take the time with your teen to go through the site. Make sure and have your student complete a reality check. It is awesome!

Have a great summer! God Bless, De Ann
